

Hello band people,
Let's be interested in learning more about Scrip since it is a GREAT way to earn money for band trips, registration fees, etc. All of the money goes directly into your student's Individual Student Account (ISA).

To learn more about Scrip, go to www.shopwithscrip.com. They even have videos to watch to help you get started.

In addition, here are a few quick bits of information shared by a fellow band parent . . .

What is Scrip?

"Gift Cards that you purchase and use or gift to other people."

What is ScripNow?

"ScripNow are gift cards that you buy online, get within minutes so you can use right away. I buy ScripNow all the time. Especially if I'm shopping on Amazon. I buy my Amazon ScripNow once I know how much my order is and then just copy and paste the e-gift card number and pin right into Amazon's website and place my order. Not every gift card is available through ScripNow."

How do I earn money buying Scrip?

"For example, when I buy Amazon ScripNow, I get a 3% rebate. So... a \$50 Amazon e-gift card = \$1.50 in my student's ISA account. Rebates generally go from 2% to 18+%."

What is Reload?

"You have to have a plastic gift card that you have purchased through Shop With Scrip. You may then reload the funds onto that card. I do that with my Subway gift card."

What is Presto Pay?

"Presto Pay allows you to buy the ScripNow and use the Reload feature. The money is taken out of your checking account immediately allowing you to receive the ScripNow immediately." *The directions for how to set up Presto Pay are on the other side of this page.*

"The beauty of Scrip is that you can buy gift cards for almost anything. Gas, Groceries, Sam's Club (Walmart ScripNow), Best Buy, Kohl's (you can even pay your bill with Scrip!!), Subway, etc. The list goes on and on. I have a little zippered pouch that I keep my gift cards in so that I always have them with me. You can even download the APP so you can always buy on the go."

Presto Pay instructions as of 7/31/17:

Hello everyone,

Just some info about ordering Scrip online and paying for it online. The PrestoPay option takes a few days to activate once you, as a family, enroll. You will always have the option to drop off a check if that is more convenient for you even if you enroll in PrestoPay. So...

- Go to www.shopwithscrip.com and log in to your families account. If you don't already have an account, click on the Register button in the upper right hand corner to create your account. The Band's enrollment number is: **1D24284624519**.
- Once signed in, click on Dashboard, Family Functions, and then PrestoPay.
- Watch the videos (optional) to learn how it works.
- Click on the Yes, I want to enroll button.
- To start the registration process. You will need either your checking account or savings account routing number and account number. Word of caution: make sure your savings account doesn't have a limit on the number of transactions per month if you choose that account. Wouldn't want anyone to get unexpected fees.
- Great Lakes Scrip Center will make 2 very small deposits into your account. See e-mail below that they sent me for an example.
- Check your account after a few days and write down the deposit amounts.
- Return to Shop with Scrip with the deposit amounts and "verify" your presto pay account.
- After verifying the banking information, Great Lakes Scrip will send you a secure approval code.
- E-mail Diane Tendler at tendlerfamily@att.net and give her the approval code.
Effective September 1st, email Debbie Hayden at dcayden@gmail.com and give her the approval code.
- DONE!! Use Prestopay and get ScripNow immediately for added convenience!
- Check out MyScripWallet Mobile (Learn, Family Ordering) in order to use your phone to order and redeem scrip.
